

# The President's Goals for 2024-2025

## Engage, Encourage & Educate with Fun -Filled Experiences

Engage our sailing members to connect and participate in Interclub events and regattas.

Encourage women sailors to progress their confidence and knowledge in sailing and racing skills by using our FWSA in-house talent and on-the-water practical experiences.

Enhance and expand our education programs for individual and crewed boat fleets.

Continue to cultivate our FWSA sailing community and improve membership experience and enthusiasm.
