

2022-2023 Nomination Form

For the Lilly Kaighin Memorial Trophy

This is a perpetual trophy in the memory of Lilly Kaighin, who was not only the Past President of FWSA but was also a past member of several of the FWSA member clubs and was a founding member of two of them, the Dinghy Dames and the Luffing Lassies.

This trophy is being awarded to the person who deserves recognition for exemplifying any of the following qualities through her membership with either FWSA or any one of the FWSA member clubs:

- ❖ **Leadership**
- ❖ **Motivation**
- ❖ **Organization**
- ❖ **Participation**
- ❖ **Involvement**
- ❖ **Good sportsmanship or Contribution to the social aspects of sailing.**

Lilly was an accomplished sailor. Lillie's sailing ability was not essential to her involvement with sailing. The characteristics listed above played a much more important role in her. Lilly's family lovingly started this perpetual trophy made by her son, Jim.

May Lilly's memory and spirit live on through the FWSA for many years!
